AMENDMENT

In response to the Office Action of August 5, 1999 (Paper No. 8), kindly amend
the above-identified application, without prejudice, as follows:

Cancel all of the claims presently in the application and substitute therefor new
claims 6-12:

-- 6. Female connectors for use with a genderless construction system wherein
said female connector is comprised of a substantially round disc shaped plastic member having
two holes formed therein and adapted to mate with a two-fingered genderless connector by
means of an interference fit when the fingers are inserted into the holes, at least one of said holes
being substantially triangularly shaped and including three internal angular corners, one of said
corners of said at least one hole being closer to the other of said two holes than the other two of
said three corners.
